SUBJECT: Collection of Wastewater Charges for Property Outside the City on the Fiscal Year 2006/2007 Property Tax Roll**REPORT IN BRIEF**

The City provides wastewater service to various properties located outside the City limits. Payment for these services is received through property tax assessments. In accordance with legal requirements for the collection of fees on the property tax roll, the City Council set a public hearing on proposed charges for wastewater services provided by the City of Sunnyvale to properties located outside the City limits. A report addressing the hearing and the proposed FY 2006/2007 assessments was filed with the City Clerk.

Staff recommends adoption of a resolution establishing outside wastewater charges to be placed on the FY 2006/2007 property tax roll.

BACKGROUND

In the mid 1950's, an area known as Rancho Rinconada was being developed as a mostly single-family residential area. At the time, this area was in a pocket of the county that had no direct access to a sewer collection system. The City of Sunnyvale entered into a series of agreements with the developers that allowed the Rancho Rinconada sewer system to be tied into a 15-inch City sewer main that was extended 1.7 miles for that purpose. The agreements required developers to construct sewers that met the City's standards and allowed the City to collect fees from the homeowners for the purpose of reimbursing the City for its costs of providing on-going sewer service.

On June 20, 2006, the City Council adopted a resolution setting July 18, 2006 as the date for the public hearing on proposed assessments for 1,867 properties located outside of the City which are served by the City's wastewater utility. As shown on Attachment D, the areas serviced are bounded by Stevens Creek Blvd., Lawrence Expressway, Blaney Ave., and Bollinger Road in the City of Cupertino, and by Bollinger Road, Lawrence Expressway, Johnson Avenue and Castle Glen Avenue in the City of San Jose. A report containing each parcel number receiving wastewater services from the City was filed with the City Clerk and was made available for public inspection on June 30, 2006.

EXISTING POLICY

Assessments are made pursuant to Section 5473 of the Health and Safety Code and Section 12.16.020 of the Sunnyvale Municipal Code.

DISCUSSION

The City of Sunnyvale owns and operates an extensive system for management of wastewater within City limits and in the outside sewer area. The system includes approximately 327 miles of sewer pipes and a 29.5 million gallon-per-day Grade V Water Pollution Control Plant (WPCP). Operations include the conveyance of sewage to the treatment plant, wastewater treatment, recycled water production, industrial discharge inspection and enforcement, and many other services related to wastewater.

Infrastructure maintenance and replacement has been and remains the largest issue for the Wastewater Management Fund. As identified in previous years, in order to address this issue staff took a two pronged approach. First, in FY 2001/2002 the Sunnyvale Financing Authority sold its Water and Wastewater Revenue Bonds Series 2001 in the amount of \$34.3 million. The project refunded the Authority's 1992 Utility Revenue Bonds and provided an additional \$12.5 million for new wastewater projects.

The bond money is being used or has been used to fund the cost of the most pressing infrastructure projects at the plant and throughout the city's collection system. Major projects that are underway or have been completed include the Borregas sanitary sewer trunk replacement, rehabilitation of the treatment ponds, pond levy improvements, rehabilitation of storm pump stations #1 and #2, resurfacing of the sludge drying beds, chlorinating and dechlorinating equipment replacement, rehabilitation of the digesters, and laboratory roof and air exchange equipment replacement.

Second, staff has been focused on the continued identification of projects for the future. In the past two years, Public Works staff have worked to identify and isolate the cost and life span of various pieces of infrastructure and schedule those into the Long Range Infrastructure Plan. Also underway is the WPCP Infrastructure Assessment Study being performed by Corollo Engineers. The internal analysis is complete and the completion of the WPCP Infrastructure Assessment Study is anticipated by end of this fiscal year.

During FY 2006/2007 staff will be undertaking a comprehensive review of the operation of the Wastewater Utility and in particular the WPCP. Due to the age of the Wastewater facilities, replacement or renovation will be required. Rather than simply replacing existing assets in kind, the review will identify best management practices that can be adopted to ensure that our facilities are state of the art and minimize costs in the long run. For example, the size and capacity of the WPCP will be considered along with automation of various processes. Results of this comprehensive review will be included in the Long

Range Infrastructure Plan and Capital Improvement Plan to be developed during next year's projects budget process.

Affect on Wastewater Customers Outside the City Limits

There are 1,864 single family residential properties, two multi-family properties, and one commercial property for a total of 1,867 properties located outside the City limits that are serviced by the City's wastewater collection and treatment system. Charges for all customers in the outside sewer area are equal to the City's charges adopted on April 25, 2006 plus a 1% administrative fee charged by the County for processing of the roll. In past years, the City did not collect the additional administrative fee charged by the County. The proposed assessments for FY 2006/2007 include this charge, which is \$2.68 per resident and varies for commercial and multi-family customers based on their individual charges.

The proposed annual assessment for a single-family residential property is \$267.88 per parcel. Four single-family properties are not being assessed as they do not have any structure on the parcel and therefore do not impact the City's sewer system. The proposed annual assessment for the two multi-family properties is \$669.58 for parcel number 375-07-003 (four units) and \$6695.76 for parcel number 375-07-060 (forty units). The proposed assessment for the commercial property is based on the customer's past year consumption plus the administrative fee. Their total proposed charge for Fiscal Year 2006/2007 is \$1,056.91.

FISCAL IMPACT

The City collects these fees as part of the County Tax Roll. The fees go directly into the Wastewater Management Fund and are used to offset the costs of operating the City's wastewater utility. The proposed assessments including administrative fees of \$5,074.38 total \$507,214.80, an increase of \$33,123.33 compared to the Fiscal Year 2005/2006 assessment of \$474,091.47.

CONCLUSION

The proposed assessments are consistent with past practice and applicable legal requirements. In addition, placing assessments on the tax roll is consistent with the original agreements established with the development of the properties.

PUBLIC CONTACT

Notice of public hearing was published in the San Jose Mercury News. A copy of the list of properties to be assessed and the proposed assessment amounts was made available in the City Clerk's office on June 30, 2006. A copy of this report is also available in the library and on the City's website.

ALTERNATIVES

1. Adopt the resolution approving the proposed assessments.
2. Adopt the resolution, with the roll modified to a different amount than recommended by staff.
3. Do not adopt the resolution. This action would prevent collection of charges on the property tax roll, requiring some other form of billing.

RECOMMENDATION

Staff recommends the City council Adopt Alternative 1 to adopt the resolution approving the proposed assessments.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUNNYVALE PROVIDING FOR THE COLLECTION OF WASTEWATER SERVICE CHARGES FOR PROPERTY OUTSIDE THE CITY ON THE FISCAL YEAR 2006/2007 PROPERTY TAX ROLL

WHEREAS, pursuant to Section 5473 of the Health and Safety Code and Section 12.16.020 of the Sunnyvale Municipal Code, the City of Sunnyvale elects to have the sewer service charges for premises outside the City limits for fiscal year 2006/2007 collected on the tax roll of the County of Santa Clara, State of California, in the manner provided pursuant to Sections 5473 through 5473.11 of the Health and Safety Code; and

WHEREAS, the City Council finds that the City Manager has caused a report to be prepared and filed with the Office of the City Clerk, on June 30, 2006, pursuant to Section 5473 of the Health and Safety Code; and

WHEREAS, on Tuesday, July 18, 2006, at 7:00 p.m., in the Council Chambers, located at 456 West Olive Avenue, Sunnyvale, California, a public hearing was held on the report;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SUNNYVALE THAT:

1. Sewer service charges for property located outside the City limits shall be at the same rates as for property located within the City limits.

2. If the sewer service charges are unpaid and become delinquent on the dates specified in Sections 2617 and 2718 of the Revenue and Taxation Code, or as amended, the following delinquency penalties shall attach to them:

(a) A basic delinquency penalty of ten percent (10%); and

(b) An additional delinquency penalty of one-half of one percent (.5%) per month.

All such delinquency penalties shall be collected at the same time and in the same manner and by the same person as are delinquency penalties on general taxes for the City of Sunnyvale.

3. The City Council finds, pursuant to Title 14 of the California Code of Regulations, Sections 15061(b)(3) and 15378(a), that this resolution is exempt from the requirements of the California Environmental Quality Act (CEQA) in that it is not a project which has the potential for causing a significant effect on the environment. This action is further exempt under the definition of "project" in Section 15378(b)(3) in that it concerns general policy and procedure making.

Adopted by the City Council at a regular meeting held on _____, 2006, by the following vote:

AYES:
NOES:
ABSTAIN:
ABSENT:

ATTEST:

APPROVED:

City Clerk
(SEAL)

Mayor

APPROVED AS TO FORM AND LEGALITY:

David E. Kahn, City Attorney

CITY OF SUNNYVALE
NOTICE OF PUBLIC HEARING
SEWER CHARGES TO BE COLLECTED ON TAX ROLL

NOTICE IS HEREBY GIVEN that the City Council of the City of Sunnyvale will hold a public hearing.

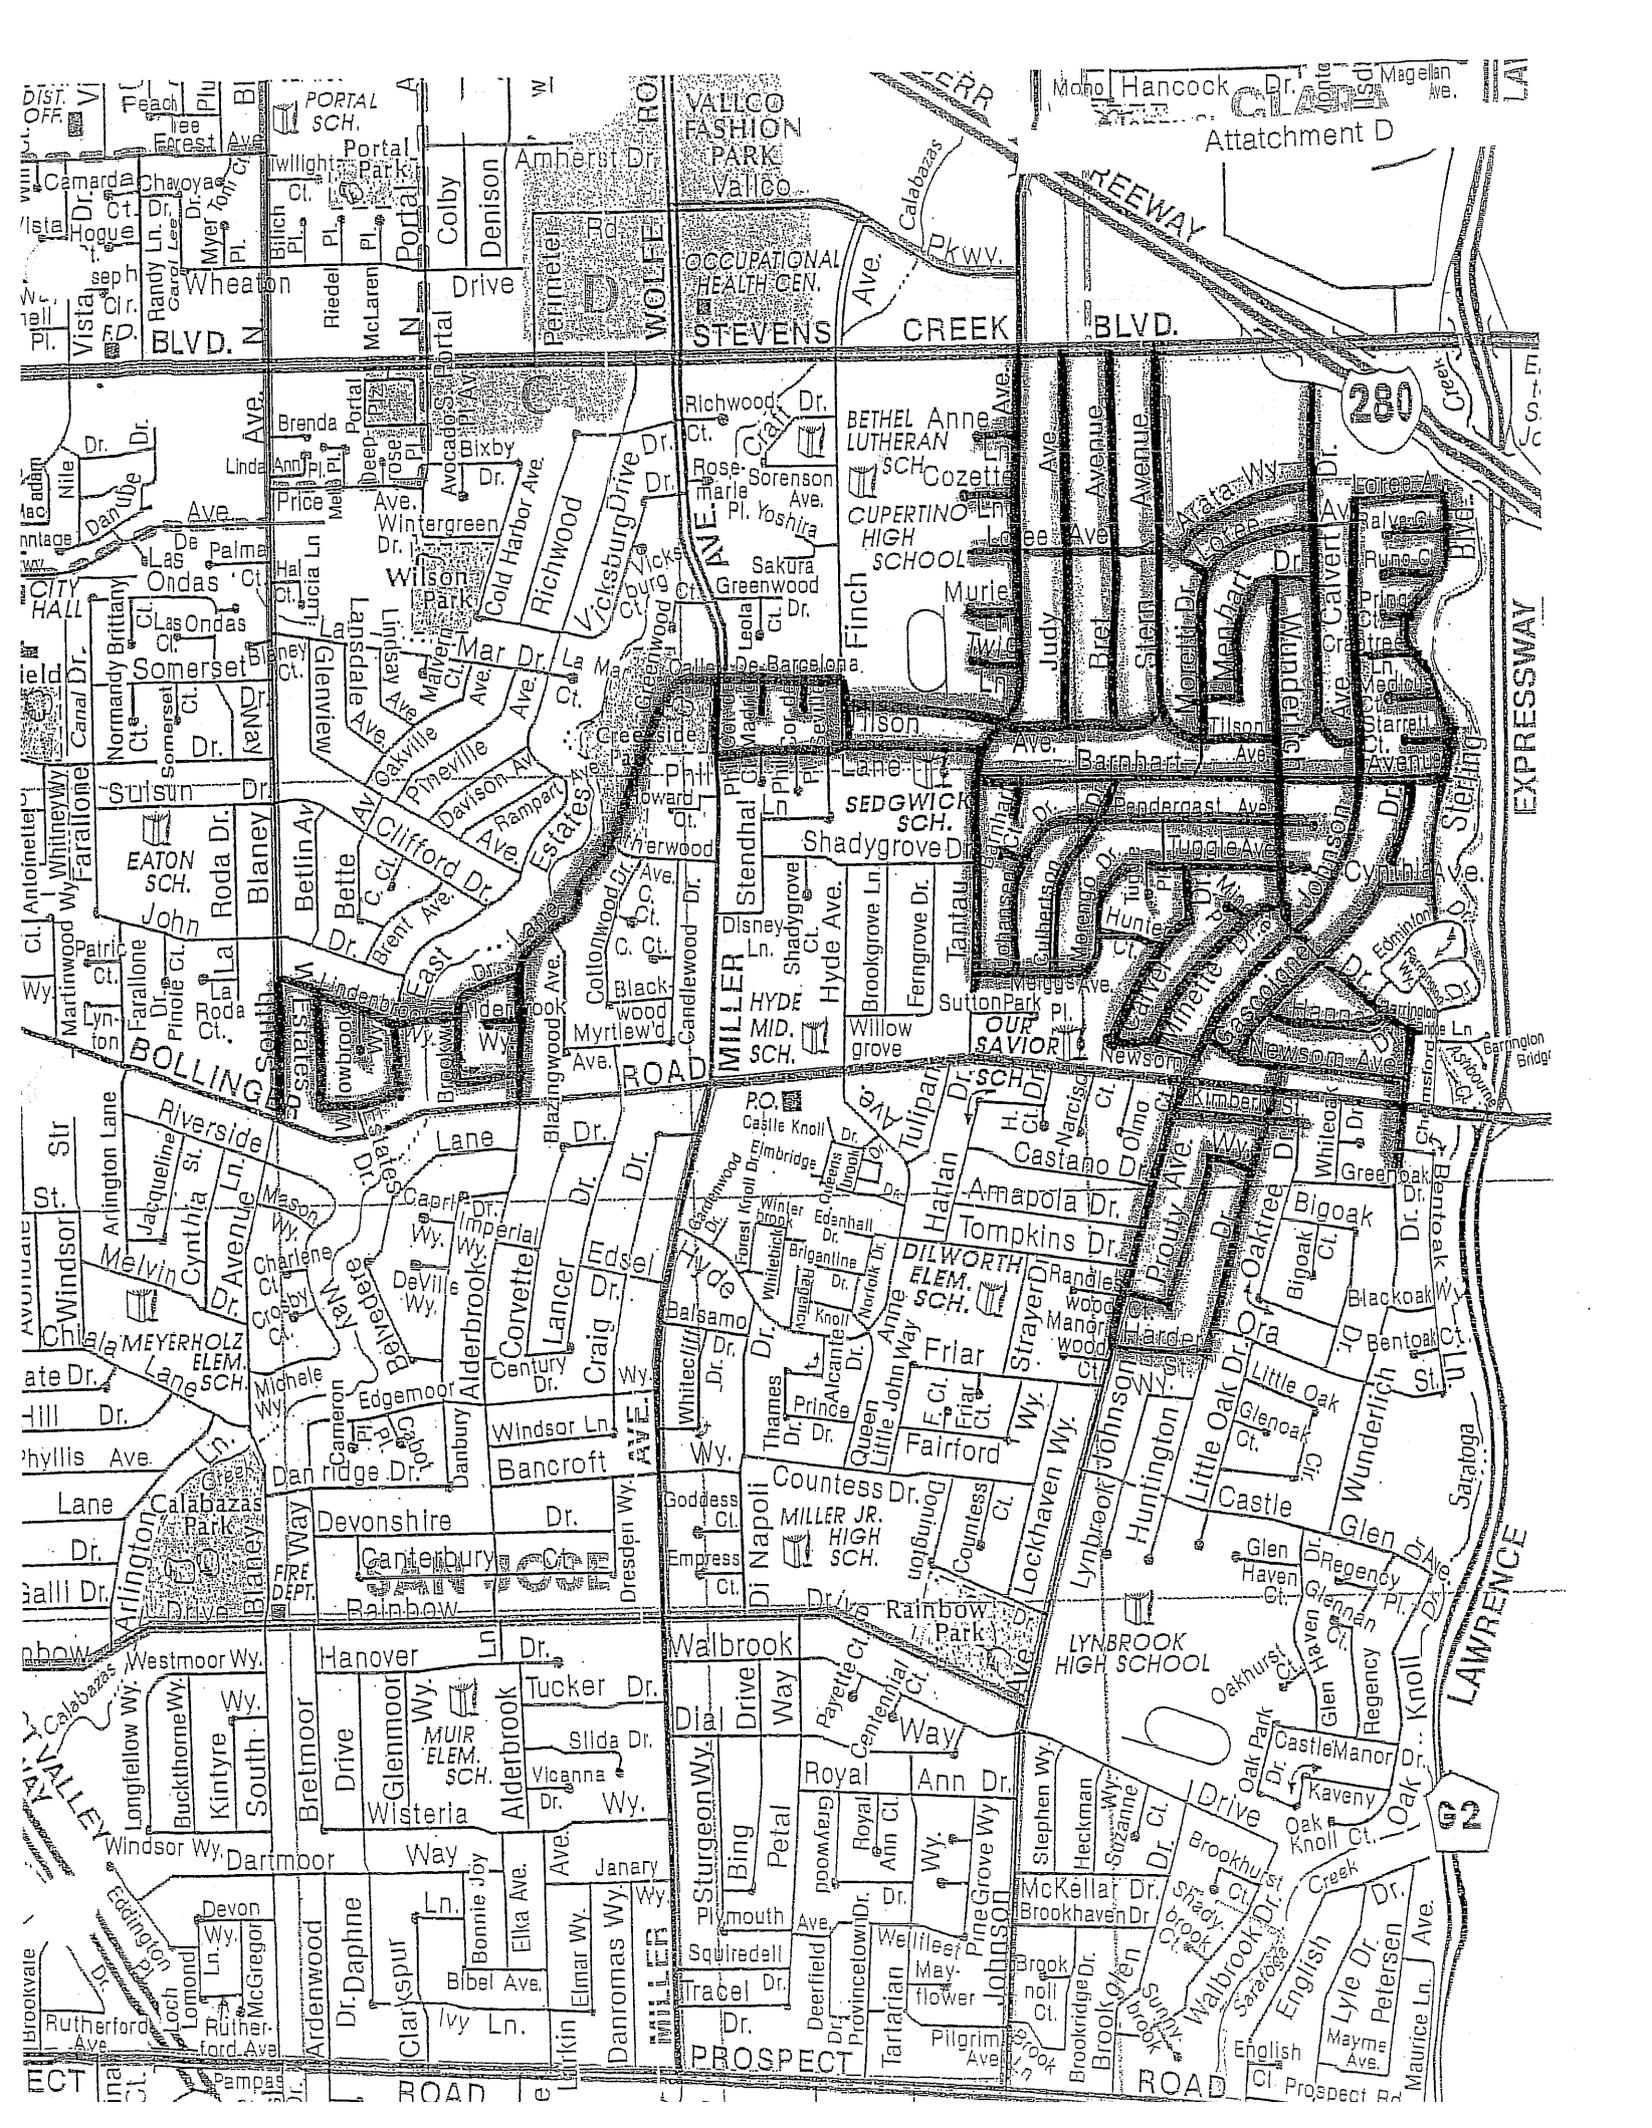

WHEN 7:00 p.m., Tuesday, July 18, 2006

WHERE Council Chambers, City Hall, 456 West Olive Avenue, Sunnyvale, California.

WHY To consider a resolution, which provides for the collection of sewer charges on the 2006-2007 tax roll. The charges are for properties, which are provided city sewer services but are outside the Sunnyvale city limits.

A written report, which confirms the description of each parcel to be assessed, has been filed with the City Clerk. The report may be inspected during normal working hours in the Office of the City Clerk, City Hall, 456 West Olive Avenue, Sunnyvale, California.

At the hearing the City Council will hear and consider all protests and objections to said report. All persons interested in said matter shall have an opportunity to be heard at said time and place.
